## COLLINS ANNOUNCES FOR REPRESENTATIVE

Mr. T. H. Collins handed the following to the Daily Register today: "We, the Democrats and taxpayers in general of Madison County being very much dissatisfied with the unjust burden of taxation imposed upon us by machine politics and machine made politicians, and knowing that much of the money derived from the above taxation is not interest of Kentucky as a whole, and further knowing that we need protection, if we expect any relief from our present burdens, or have our interest safeguarded in the future, we now call upon T. H. Collins, whom we believe able and willing to help exterminate the evils of the machine made tax laws of Kentucky to make the race for representative from Madison County, subject to the action of the Democratic primary, Aug. 2, 1919. We hereby pledge him our unqualified support and influence."

"Finally I heard of Meritone and what it was doing for others and decided to let him try it."

Since taking two bottles of Meritone he has gained five pounds and just can't get enough to eat.
